Coffee for a Cause

This Exclusive Blend Supports Children with Dyslexia. Full-bodied, yet smooth with hints of dark chocolate and roasted nuts. These subtle notes are just the beginning to this beautiful, very full-flavored blend of South American coffees, grown in regions of the Andes Mountains. Dark roasted, yet smooth and flavorful. This coffee is symbolic of the Inca Empire, whose people devised unconventional ways to achieve success and thrive, despite lacking many of the tools associated with civilization during that time period. Throughout 2019, \$5 from Every Pound of Coffee we sell goes to funding Teacher Training in explicit Multi-Sensory Literacy Instruction & Early Literacy Programs . We are continuing to support Children with Dyslexia by working with partnering schools to provide specific training so more teachers & support staff can help children with dyslexia to read. In 2018, together we were able to provide 65 Children with Dyslexia Audio-Book access to support this proper classroom reading accommodation and we thank you!
